**United Animal Friends
second annual
"WOOF DOWN LUNCH"
with your cat or dog
April 10, 2010.**

Help feed your furry friends by making pet bowls for the second annual Woof Down Lunch, the proceeds of which will fund our spay/neuter programs. Our goal is 500 bowls so we can surpass the \$5,000 we raised with the first Woof Down Lunch.

Whether you make one or 50 bowls, your donation will help us meet our goal. We especially need large dog bowls.

Thank you Laguna Clay Company and Marjon Ceramics for making clay available for our event.

Free passes to Woof Down Lunch 2010

A donation of more than 25 bowls will receive 2 free passes. Donations of more than 50 bowls also get a free vendor booth. The free vendor booth will be restricted to items other than bowls.
